Swop for Alt. P/no
Draw Item & Close Req
Re-print Label / Re-locate Alloc
Exit

Creating Requisition can be carried out from this Menu where several parts can be entered as a demand on the Job Number

This creation of Requisitions can also be carried out in:
1. The Inventory Screen where the Part No is directly applied to the Job or,

2. In the Edit/Entry of Tasks in the Job Control Menu where the Parts No is searched from Inventory and directly applied

ADD

Job No 049255/HA

ENTER PART NUMBER(S) REQUIRED
