

## PRE-LOAD MATERIALS TO A JOB

These notes have been prepared to explain how you can pre-set a Kit list of parts which can then be added into a Requisition when opening a Job number

First you need to define the Kit of Parts that would normally be required from:

CAI AMB4 System-main menu

|                  |           |           |         |
|------------------|-----------|-----------|---------|
| <b>MATERIALS</b> | TECH SVCS | FLT TIMES | JOB CNT |
|------------------|-----------|-----------|---------|
